ANNUAL REPORT

GRADE:VIII

CLASS TEACHER:SHEEBAS

“Learning and innovation go hand in hand. The arrogance of success is to think that what you did yesterday will be sufficient for tomorrow. William Pollard”

The Elegant Public School believes in the Love of Learning through lifelong inquiry. Respect for diversity of people, faith, culture and ideas and work for holistic development of students

Online classes were started on June 10th. Although students were unable to physically report to class, teaching and learning went on well during pandemic. Various activities had been conducted to enhance student development.

Independence Day [15th August 2020]

Independence Day promotes nationalism and patriotism towards the nation. Also, it teaches everyone to know the importance of Independence. TEPS celebrated Independence Day with great zeal. The courage and sacrifice of our freedom fighters are remembered on this occasion. Flag hoisting ceremonies, and cultural events were observed virtually.

Onam [27th August 2020]

Onam, the traditional festival of Kerala was celebrated with much enthusiasm by all the students and teachers. Various events such as Group Dance, speech, light music was organised over the day as part of the celebration.

Children's Day [14th November]

Children's Day was celebrated on 14th November with great pomp. All the schools observe this day with lot of fun and frolic. Like every year, our school celebrated this day virtually. Teachers presented various programmes for children, including dance ,group-solo songs speech etc.

Christmas/New year Celebrations

Christmas brings cheer and love and we celebrated it with the same fervour, spreading the message of love and joy among our children. We celebrated with a difference-Parents were also included in the programmes. They had been given chance to show their talents and children and parents together made cards and participated in games.

Art-Integrated Project

In view of NCF requirement and NCERT's recommendations ,need for awareness of India's vast and diverse art heritage and culture, and of the felt requirement, CBSE has decided to take up the integration of art with education. Keeping this in mind we had included art integrated project in the curriculum.

The On 29 Aug 2019, the Hon'ble Prime Minister launched nation-wide "Fit India Movement" aimed to encourage people to inculcate physical activity and sports in their everyday lives and daily routine. Grade 8th selected the topic **Fit-India**

English : To create awareness about the importance of being healthy Speech Dialogue was conducted by dividing the class in to four groups.

Hindi/Malayalam :To create awareness about the importance of being healthy children actively participated Poster making.

Mathematics: To create awareness about health and to integrate maths to daily life and hence to be healthy children calculated their BMI, Pulse rate etc.

Science :Children made collage about merits fitness and demerits if no measures are taken.

Social Science: Children made a documentary on fitness awareness.

Hindi Divas [15th September]

Hindi divas was celebrated to mark the importance of the Hindi language. Hindi language is one of the oldest languages that obtains much of its academic terminology from the Sanskrit language written in the Devanagari script. Various competitions and activities such as essay writing, Speech, Poem Recitation had been conducted.

Keralappiravi [1st November]

Keralappiravi day was celebrated by the Department of Malayalam on 1st November . The programme paved the way to remember and honor our mother tongue and mother land. Various activities/competitions had been conducted to develop artistic ability and to develop linguistic skills and the children actively participated and the winners were given certificates.

Republic Day [26th January]

To enhance patriotism and encourage recreating preamble Of Indian constitution the republic day was celebrated. As a part of it children participated in poster making activity.

Pi day [14th March]

Pi Day is celebrated every year on the fourteenth of March around the world, a day when we recognize the never-ending irrational number that represents the circumference of a circle divided by its diameter. Pi is an important number and a confounding one, too. To create awareness of its importance and foster interest towards mathematics we celebrated Pi day with various activities. Children made art and craft related to pi.

Social Science Documentary on monsoon

A monsoon is not just any heavy rain that lasts for a long time. Rather, a monsoon is like a giant sea-breeze. Our Grade VIII

students did a documentary on monsoon,-"MONSOON" with much enthusiasm.

Social Science Documentary on Farm Acts

Thousands of farmers are protesting in the Capital-Delhi demanding a repeal of three farm laws. Grade VIII students did a documentary on this,-"Farm-Acts"

Annual Report 2020-21-Grade 9

“No barriers to Education”

Educators need to be well informed to enhance the knowledge of their subject and keep them abreast with the changing face in education. Online teaching is one of the imminent trends in education sectors around the globe. Virtual classrooms were really effective and useful to the students. The students were able to cope with the situation and able to study without any hindrance.

The real and innovative teaching methods were used in classrooms.

Co-Scholastic Activities

Our school provides ample opportunities to nurture talents and by participating in various activities and competitions children prove their mettle.

Our earnest endeavor is not only academic excellence but also to motivate and empower the students to be lifelong learners. Apart from academics, art, games, music classes were also conducted as virtual classes

Working days we designed for promoting arts/ craft/ literary and performing arts competitions, students bagged the prizes

Various literary competitions were also conducted in order to encourage the love for Hindi and Malayalam languages

Celebrations

Students of The Elegant Public School got ample opportunity to come forward and participate in celebrations.

- **Independence day**

To give due reverence to the free spirit of our nation and to honour the sacrifices made by the great men, Our Elegant Public School celebrated the 74th Independence Day with great vigour and vitality

Students conducted various programmes like speech, patriotic song, dance etc. the whole class is filled with patriotism.

■ **Onam** celebration

Onam is the most significant festivals of Kerala. We started our Onam celebration at 9.30 am with greater joy. It kicked off in style with a visual treat of different display by students.

■ **Yoga day**

The international Yoga day was duly observed on 21st June 2020.

Yoga is the journey of the self, to the self, through the self, International day of yoga celebrated with prayer, meditation. They were very enthusiastic while doing different Yoga postures.

■ **Teachers day**

"A good teacher can inspire hope, ignite the imagination and instill a love of learning." -Brad Henry.

The teachers' day was celebrated on 5th September with great fervour and gaiety.

■ **Kerala Piravi**

Kerala Piravi marks the birth of the state of Kerala in southern India . It was celebrated magnificently in our School campus. It was a great opportunity to showcase their talents.

A well planned programme that had a blend of culture, tradition and history had all mesmerized. Amidst cheers of happiness and excitement, children learnt the importance of this special day and imbibed them pride, cultural oneness and a sense of belonging that we are one big family.

Art integrated projects

As per CBSE norms, Art is integrated in their learning process. A specific theme has been selected (Gandagi Mukth Bharath) and based on that projects were done in all subjects

English -Play writing

Dividing the class into 3 groups and writing the play based on the topic.

Hindi/Malayalam

Based on the topic documentary and poster making was done.

Social Science

Creating collage and mosaic work was done

Science

Video based on green India programme was done

The entire class participated enthusiastically in these projects

Parents' Interactive session

“Parenting is not giving your child everything they want. Parenting is not being your child’s friend. Parenting is about preparing your child to be a useful and respectful person in society” ---GloZell

‘Parents meet’ was held through zoom meeting Our principal took classes for the parents highlighting the role of parents and how one can be an effective parent.

Examinations

Several exams (pt1, pt2, SA1 and sa2) were also conducted through online and the students were able experience it. Self learning and self assessment and the value of honesty were taught to them through these exams.

Conclusion

The Biggest achievement in the current year was to migrate from real classroom teaching to virtual teaching and it was very effective and another milestone in the history of The Elegant Public School.

“Nothing is impossible only you have power to sculpt yourself into what you want to become”. These words are really true and worth it. It is indeed a successful year

THE ELEGANT PUBLIC SCHOOL

Annual Report – Grade X

Academic year of 2020 – 21 has closed with major learnings when pandemic situation was threat to entire globe. However, during this period, the innovation was of our online classes which helped to keep the classroom momentum between teacher and children. Teachers were perspicacious enough to realize the things were soon going to change in mode of education and that was quite evident. Today we can say in between the pandemic we teachers and students brought a positive approach in teaching and learning.

Even though the students were not in the class, the way we celebrated the events were not with less enthusiasm. Apart from the online studies, the co-curricular activities were also ensured to be taken care at required time.

The first surprise from the students was the remake of the video Gandagi mukth Bharath by CBSE, which was ground-breaking.

Independence day

Independence day was celebrated with dance programmes and songs.

Coordinator of secondary presented a speech on Independence Day. Principal visited each class and witnessed the live programmes.

Art Integrated Project

Based on the CBSE curriculum, an art integrated project was done by the students – based on the topic – COVID 19.

English

They prepared a skit based on the topic where they discussed about the pandemic & precautions that must be taken.

II Language

Students prepared a documentary, where they pointed out the symptoms of corona disease and how to safeguard themselves.

Mathematics

Data collected by students on COVID 19 was used for interpretation and analytical study.

Science

Students prepared a video where they did the role play of Corona virus, describing it's structure, how it affects people, what can be done to prevent the spread of this pandemic disease.

Social Science

Puppet show video initiated by students on corona awareness was appreciable.

Onam celebrations

Virtual onam celebrations were done in a grand way, Students were in Kerala attire, pre-recorded dance programmes, inspiring speech, melodious songs were there.

During afternoon session, They witnessed the programme conducted by teachers on occasion of Onam and Eid. Even though the natural ambience was not there students and teachers kept the events live through online. Thanks to technology.

Teachers day

Teachers day was celebrated by the students. They invited all the teachers and a guru vandanam song was dedicated to all the teachers.

Hindi Diwas

Hindi Diwas was celebrated by conducting programmes related to the subject.

November 1st

Kerala piravi was celebrated and the students participated in various programmes.

Children's day

Children's day was marked by performances of the children.

New Year Celebration

A most awaited one, they got a chance to come to school and celebrate. Students celebrated that day majestically. There were programmes by the children as well as teachers.

Study tour – One day field trip

Educational trip was organized to Malampuzha, Snake park. Principal accompanied us. Support provided by Principal was gone extra mile and commendable.

Pi day

Pi day was celebrated by various activities; a video was shown about the history of Pi. Children were given the value of Pi and a memory test was conducted which was a fun filled activity.

Excursion

A two day trip was organized to Alappuzha, House boat. They witnessed the stunning sunset and sunrise. Thanks for taking a risk and organizing such a trip.

Pariksha Pe Charcha

Pariksha pe charcha – Posters were prepared by the students, showcasing how students take the exams in a stressful way and also portrayed the ways it can be dealt positively.

Academics

All the assessments were conducted on time, Periodic tests, Summative assessment, Revision tests and pre board examinations.

Over-all the year was struggling but we all faced it in positive way, we set the ball rolling. Being a convulsion situation, we made it to the conclusion of this academic year with more enthusiasm. Rather than being a fatuous we did our best as teachers to bring best out of students.

Thanks everyone for the support provided.
